

Finding Work Experience in Your Community

Skills and experience can be gained in a number of ways. Customer service and other industries can be through work experience, co-ops, and volunteering. Experience in areas like manufacturing and carpentry can be gained through opportunities like apprenticeships and co-ops.

How to Find Jobs in Your Community!

There are plenty of online job search engines. If you can't access the links below, google the name of the search engine. For example: *Newcomers Job Bank*, or even the city/town's website. You can also ask people you know and go visit workplaces in person.

How to Find Volunteer Opportunities in Your Community

Volunteering is a great way to gain experience and build skills. Volunteering is a way to help out the community, but you will not get paid. Some volunteer opportunities could lead to jobs. You can find opportunities by:

- Asking your school
- Searching for nearby non-profit organizations
- Finding upcoming events
- Asking friends and contacts if they know of volunteer opportunities
- Searching online
